NONPROFIT PARTNER

## Living Classroom has been selected!

To our friends and supporters,

We are honored and excited to announce that we have been chosen to participate in a special charitable giving campaign, sponsored and funded by Target. And you have the chance to help direct a portion of Target's donation to us!

Now through June 30, 2021, vote for us through the Target Circle program to help determine how Target's donation will be divided up.

We're asking our supporters to help us make the most of this incredible opportunity. Every vote counts to help us receive a portion of the available Target funds as we continue our mission to make education come alive and to empower the next generation by growing environmental champions, inquisitive learners, and healthy eaters who know where their food comes from
