Enclosed is my One-Time, tax-deductible gift of:

- \$100** Can purchase a tablet for use our classes during our citizen science lessons, giving students a hands-on experience of discovering new species!
- \$250** Funds an entire lesson kit, from pencils and worksheets to scientific instruments. These lesson kits are instrumental in capturing the curiosity of our budding scientists and deepening the connection to the outdoors.
- \$500** Helps fund a garden bed that supports an entire classroom for one school year. This includes seeds, plants, irrigation, maintenance, all the things needed to have a successful year of growing, learning about and eating healthy!
- \$750** Helps students in an entire school learn about California native plants and their role in restoring wildlife habitat and how Native Americans used them through ethnobotany lessons.
- \$1,000** Support an entire classroom's lessons for one whole school year. This gift makes the most significant impact in schools serving students from socioeconomically disadvantaged communities.
- _____ Your donation in any amount will help us fund our ongoing work in bringing the outdoor world to students of the Bay Area. Thank you!
