## Enclosed is my One-Time, tax-deductible gift of:

- |   |  |
|---|--|
| <input type="checkbox"/> <b>\$100</b> Can purchase a tablet for use our classes during our citizen science lessons, giving students a hands-on experience of discovering new species!   | <input type="checkbox"/> <b>\$750</b> Helps students in an entire school learn about California native plants and their role in restoring wildlife habitat and how Native Americans used them through ethnobotany lessons.         |
| <input type="checkbox"/> <b>\$250</b> Funds an entire lesson kit, from pencils and worksheets to scientific instruments. These lesson kits are instrumental in capturing the curiosity of our budding scientists and deepening the connection to the outdoors.            | <input type="checkbox"/> <b>\$1,000</b> Support an entire classroom's lessons for one whole school year. This gift makes the most significant impact in schools serving students from socioeconomically disadvantaged communities. |
| <input type="checkbox"/> <b>\$500</b> Helps fund a garden bed that supports an entire classroom for one school year. This includes seeds, plants, irrigation, maintenance, all the things needed to have a successful year of growing, learning about and eating healthy! | <input type="checkbox"/> _____ Your donation in any amount will help us fund our ongoing work in bringing the outdoor world to students of the Bay Area. Thank you!  |
